IECQ Hazardous Substance Process Management Training Workshop – Remote Deployment

Who is this workshop aimed at?

This IECQ HSPM training workshop has been developed for education of resources undertaking activities within the IECQ System for the following program in support of General industries and their supply chain:

- IECQ Hazardous Substance Process Management Scheme (IECQ HSPM Scheme)

Participants of this workshop should already have a high level of understanding of electrotechnical component product and their supply chain as use within General industries.

The IECQ HSPM workshop is aimed at **IECQ CB Resources ONLY** such as but not limited to, Sales, Contract Administration, Internal Auditors (*currently holding ISO 9001:2015 internal auditor competence*), External Auditors (*currently holding ISO 9001:2015 auditor or lead auditor competence*), Industry Experts and IECQ CB Technical reviewers / decision makers.

Those participant's that successfully undertake and pass the Exams will be awarded an IECQ Training Certificate registered on the IECQ Online Training Certificate System, relevant to their competence.

"IECQ CB Resources" whose primary / principal occupation is a resource for IECQ CB's, please provide confirmation in the form of signed letter on Certification Body letterhead from at least one IECQ CB.

IECQ 5-Day HSPM Training Workshop Fee:

A small contribution fee of CHF900 applies for each participant to the workshop.

This fee covers participant's attendance at the 5-day workshop, an IECQ Certificate of attendance.

Owing to the demand for IECQ Training Workshops and participant number limitations, registrations and payments are to be finalised before closing dates to secure a place. Registrations are not refundable. Due consideration to provide a registration place credit may be given for any extraordinary circumstances on a case-by-case bases, however, will not be the norm.

What do I need to prepare and provide?

Prepare (Pre-class assignment):

Prerequisite essential e-learning modules to be completed before the 14 July 2023:

- Prerequisite - IECQ CA System - An Introduction (Q-M30-U01, informative)
- Prerequisite - IECQ HSPM - An Introduction (Q-M35-U01, informative)
- Prerequisite - IECQ General Rules & Procedures - What to know (Q-M31-U01, includes short exam)
- Prerequisite - IECQ HSPM Test Methods (Q-M34-U62321, includes short exam)

The Master Tutors of this workshop, have asked that all participants have:

- Solid understanding of electrotechnical component product, industry terms used and their use within the General industries and their supply chain,
- Solid understanding and experience with ISO 9001:2015 Risk-based thinking and Process-based auditing approach,
- Read and attained basic knowledge of ISO/IEC 17025.
